

**Hi, I'm Workerbee.**

*I can help you win more searches in competitive environments*

**You usually start your search with:**

- Familiar candidates
- Recently contacted profiles
- The same small group that's already been worked

**While you focus on active searches, I am:**

- Continuously engaging new candidates
- Bringing fresh talent into your reach over time
- Confirming interest and availability

*I keep your talent pool fresh – so you're ready to win when the req drops.*

**Typically, you'll see:**

- Faster, stronger shortlists
- Earlier momentum
- More confident submissions
- More wins – less effort

**You stay in control.**

- You share roles early - even if timing isn't firm (no cost)
- I work quietly in the background
- You engage when speed and quality matter

Win more searches.

*Share your needs to see available candidates.*
